VOLUME I, # 2

AUGUST 15, 1975

The Martin Family Quarterly is published in the interest of everyone researching the Martin family surname and related families. It is our purpose to provide complete and accurate information. The information in this quarterly will be divided into the two broad classifications of "clues or family contributions" and documented facts.

QUERIES: Will be published free for all subscribers limited to one query per issue per subscriber with a maximum of 100 words. Additional space will be provided at the rate of 10¢ per word. The rate for non-subscribers and additional queries will be at the rate of 15¢ per word. All queries must be typed or legibly printed and should include sufficient specifics to clearly identify the ancestor in question (birthplace, marriages, children, residences, etc.)

As a special service to our subscribers the editor will research county census records with the emphasis placed on those counties receiving the largest number of inqueries.

The Martin Family Quarterly is published in May, August, November and February with a subscription rate of $5.00 per year. Texas residents please add 5% sales tax (25¢).
